**Re: Vaccine Choice is Now OPEN**

Dear Texas Vaccines for Children (TVFC) Provider,

Beginning today (Monday, August 14th), you may update your vaccine choices through the Electronic Vaccine Inventory (EVI) system in preparation for vaccine orders delivered in September. In EVI, the "Update Choice" tab will be open from August 14th through August 25th.

If you do not wish to make any changes to your current vaccine choices, no further action is needed. The next opportunity to update your vaccine choice will be on November 13th, 2017.

A training entitled "Updating Vaccine Choice" is available for you to review and can be accessed at <http://www.upp.com/vacchoice/index.html>.

Thank you for your continued support of the TVFC Program. If you have any questions, please contact the appropriate TVFC Contact listed below.
