RE: 2017 Texas Vaccines for Children Program Provider Re-Enrollment Reminder

Dear Texas Vaccines for Children Provider:

The Texas Vaccines for Children (TVFC) Program would like to remind providers of the 2017 annual re-enrollment period that is now open. The re-enrollment period opened on January 9, 2017 and will close on Friday, February 3, 2017. If you have not already done so, please complete your clinic's re-enrollment process by completing the 2017 TVFC Provider Agreement (E6-102) as soon as possible. All providers are required to update their clinic information, including changes in provider population, clinic contact information, and other changes that may have occurred since the previous year. Re-enrolling in the program confirms your clinic's agreement to abide by all terms and conditions of the TVFC Program.

The TVFC Program requires the primary vaccine coordinator and back-up vaccine coordinator at each facility to annually complete the Centers for Disease Control and Prevention (CDC) web-based training courses, *You Call the Shots Module Sixteen-Vaccines for Children Program—2017* and *You Call the Shots Module Ten-Storage and Handling—2017*. To obtain CE credit or certificate of attendance, participants must go to <https://www.cdc.gov/TCEOnline/> to register. For detailed instructions on how to complete the 2017 training modules, please refer to: <https://www.cdc.gov/vaccines/ed/youcalltheshots.html>.

The TVFC Program has created an electronic version of the Provider Agreement (E6-102) to be used for the 2017 re-enrollment. The electronic re-enrollment process may be completed in its entirety in one session or you have the option to save the document and resume at a later time, if needed. After completing the 2017 TVFC Program Provider Re-enrollment, the provider must download and save a PDF version of the completed re-enrollment form for your files prior to submitting the form. If you did not receive the 2017 TVFC Provider Re-enrollment communication that was sent from DSHS TVFC on January 9, 2017, please contact your appropriate TVFC Contact listed in the table below.

A copy of the certificate of attendance for both vaccine coordinators of the 2017 CDC *You Call the Shots Modules* must be uploaded to the online Provider Agreement during the enrollment process. Each provider must maintain copies of the Provider Agreement and certificate of attendance for the required training modules and have them available for review during 2017 TVFC Compliance Site Visits.

Providers that fail to complete the required 2017 TVFC Program re-enrollment process by February 3, 2017 will have their ordering privileges suspended effective February 6, 2017.

Thank you for your continued support of the TVFC Program. If you have any questions, please contact the appropriate TVFC Contact listed below.
