Agenda

- Reporting Requirements
- Centralized Website
- Online Reporting System Overview
- Account Management
- Questions/Answers
- Contact Information

Reporting Requirements

- [Texas Administrative Code Title 25](#), Part 1, Chapter 103
- Justices of the Peace and Medical Examiners shall submit all traumatic brain injuries (TBI), spinal cord injuries (SCI), and submersion injuries within ninety calendar days of the date of examination or investigation.
- Justices of the peace are not required to report any data to the online reporting system if the medical examiner in their region is responsible for all inquests. In the event a justice of the peace does complete an inquest and any of the above reportable injuries are suspected, please report them to our system.
- Monthly submissions are recommended.

Definitions

- Traumatic Brain Injury (TBI) - An acquired injury to the brain, including brain injuries caused by anoxia due to submersion incidents.
- Spinal Cord Injury (SCI) - An acute, traumatic lesion of the neural elements in the spinal canal, resulting in any degree of sensory deficit, motor deficits, or bladder/bowel dysfunction.
- Submersion Injury - The fatal or non-fatal process of experiencing respiratory impairment from submersion/immersion in liquid. This includes drowning and near drowning events.
