Services

Texas Department of State
Health Services

Upcoming Events

- [National Family Support Network Together for Families Conference](#)
 - October 14-16. Designed for practitioners at the program, systems, and funder levels, this conference will provide valuable opportunities for learning from expert presentations, innovation sharing, peer learning, and networking.
- [National Academy of Medicine Annual Meeting 2020](#)
 - October 19, 9-4:30. The National Academy of Medicine will host a scientific symposium titled "Confronting Urgent Threats to Human Health and Society: COVID-19 and Climate Change." For the first time ever, the event is free to attend and will be held entirely online.
- [Alliance For Health Policy Summit: Voice of the Patient](#)
 - October 20-22. Attendees will hear from patient advocates, industry professionals, and top thought leaders on topics such as: patient interaction best practices, helping patients navigate the health care system, the impact of bias on patient trust in medicine, and making data actionable for health care system redesign.

Upcoming Events

- [20th Annual Partners in Prevention Conference](#)
 - October 21-22. This conference will welcome prevention and early intervention professionals from across Texas as they seek new connections, directions and roadmaps to increase the available opportunities that maximize the potential of the children, youth and families they serve.
- [The Arc 2020 National Convention](#)
 - October 26-28. Join The Arc for three days of inspiring online sessions, announcements, and networking opportunities to learn how others are navigating challenges both old and new.

Upcoming Events

- [21st Annual Chronic Illness and Disability Conference: Transition from Pediatric to Adult-Based Care](#)
 - October 29-30. This conference will include discussion on the legal issues involved in healthcare transition, as well as time to meet and talk with faculty in small groups, to exchange ideas among participants, and to share knowledge and information about how best to plan for a successful transition to adulthood.
- [2020 Texas Primary Care Consortium Virtual Summit](#)
 - October 29: Access to Health
 - November 5: Sustainability & Payment Reform
 - November 12: Care Coordination & Collaboration
 - November 19: On the Horizon

Upcoming Webinars

- [Improving the Lives of Children: Value-based Perspectives on Pediatric Care](#)
 - October 15, 12pm. In this webinar, two internationally acclaimed transformation leaders in pediatric care will share their insights about the key needs in pediatric care and describe their own experiences in leading their organizations into higher-value care.
- [Building a Future that Works](#)
 - October 20, 1pm. This webinar will explore the crucial role of accessible technology for people with disabilities, and the Labor Department's work to ensure that emerging technologies are accessible to all in the workplace.
- [Using Data to Transform Health in Texas](#)
 - October 22, 10am. Learn how Texas compares to other states and what the health data shows are the most pressing issues for our state to get right so the people of our state live their healthiest lives.

Upcoming Webinars

- [Improving Care for Children with Chronic and Complex Needs - A Look at the National Care Coordination Standards for CYSHCN](#)
 - October 21, 1-2. This webinar will discuss the need for and the core elements of the new National Care Coordination Standards for CYSHCN. State health officials highlight their experiences in implementing care coordination programs and how states can use or adapt standards for CYSHCN to improve care coordination for children with chronic and complex conditions.
- [Advance Care Planning: Challenges and Opportunities](#)
 - October 26, 11-1:30. This workshop will provide a venue to explore the challenges and opportunities of advance care planning, acknowledge and highlight divergent viewpoints, and examine what is empirically known and not known about advance care planning and its outcomes.

Health Equity

- [Building Equity into Your Network of Partners](#)
 - October 20, 2-3. During this webinar, you will learn how to engage others in collaborative experiences that are diverse, inclusive, engaged, and committed to equity. They will share tools to help your partners begin taking steps with this critical process.
- [Ensuring COVID-19 Vaccine Access, Safety, and Utilization: Building Vaccination Confidence in Communities of Color](#)
 - October 21, 12pm. The webinar will feature expert panelists to educate policymakers and stakeholders on the historical reasons for vaccine hesitancy in communities of color, highlight ongoing vaccination disparities and discuss policy recommendations to build vaccine confidence and access in communities of color.
- [Health Haves and Have Nots in a Time of COVID-19](#)
 - October 29, 9am. The goals of this webinar are to discuss the foundational drivers of health inequity, to understand how foundational drivers map onto Covid-19 racial differences, and to consider solutions that can minimize health inequities.

Trainings and Articles

- New Texas Health Steps Trainings
 - [ADHD: Screening, Diagnosis, and Management](#) and [Autism Spectrum Disorder: Screening, Diagnosis, and Management](#)
- [Participant Engagement Guide](#)
 - Best practice guide to engaging people who use services in system planning and improvement efforts. Designed for human service systems, the guide focuses on fully inclusive and effective engagement and is relevant for all systems that support older adults and people with disabilities.
- [Small Steps for Big Vision: An Eye Health Information Tool Kit for Parents and Caregivers](#)
 - Free online resource with information, suggested actions, and assistance for parents, guardians, and caregivers to be empowered partners in their children's (as well as their own) vision and eye health.

Additional Information

- [Survey of Self-Advocates and Family Members](#)
 - The Texas Council for Developmental Disabilities wants to learn more about what it's like for people with developmental disabilities to access services and supports in Texas.
- [International Survey: Understanding the Impact of COVID-19 on People with IDD and Caregivers](#)
 - A team of 26 researchers, working in 19 countries, helped develop the survey. They are looking for participants who are either a family member of a person who has an intellectual and developmental disability, or a paid staff member supporting a person who has intellectual and developmental disabilities.

Upcoming Meetings

- Transition to Adulthood Learning Collaborative
 - November 10, 12 pm – 1:30 pm CT
- Medical Home Learning Collaborative
 - January 13, 10 – 11:30 am CT (Date and time subject to change)

Thank you!

Please take the post-call survey. We value your feedback!
