

Newborn Screening Advisory Committee

Bylaws

1. Name and Legal Authority

The Newborn Screening Advisory Committee is established in accordance with House Bill 1795, 81st Texas Legislature, 2009, and amended under the Texas Health and Safety Code § 33.017. This Committee is not subject to Texas Government Code Chapter 2110.

2. Purpose and Role

The purpose of the Committee is to advise the Department of State Health Services on matters as described below:

- A. Advise DSHS regarding strategic planning, policy, rules, and services related to newborn screening, and additional newborn screening tests; and
- B. Review the necessity of requiring additional screening tests, including an assessment of the test implementation costs to the department, birthing facilities, and other health care providers.

3. Definitions

Committee - Newborn Screening Advisory Committee
DSHS - Texas Department of State Health Services
HHSC - Texas Health and Human Services Commission
HHS - Health and Human Services
NBS - Newborn Screening Program
TAC - Texas Administrative Code

4. Committee Composition

The Committee is composed of at least 10 voting members appointed by the DSHS Commissioner as described in Texas Health & Safety Code § 33.017.

This membership includes:

- A. At least four physicians licensed to practice medicine in Texas, including at least two physicians specializing in neonatal-perinatal medicine;
- B. At least two hospital representatives;

- C. At least two persons who have family members affected by a condition for which newborn screening is or may be required under Texas Health & Safety Code, Chapter 33;
- D. At least two health care providers who are involved in the delivery of newborn screening services, follow-up, or treatment in Texas;
- E. One person with sickle cell disease or trait, or a person who has a family member with sickle cell disease or trait; and
- F. One health care provider who is involved in the delivery of newborn screening services, follow-up, or treatment of sickle cell disease or trait in Texas.

To the greatest extent possible, the DSHS Commissioner appoints members who reflect the diversity of Texas.

5. Member Terms

All members serve a term of three years. Individuals may apply to be reappointed to serve additional terms. A member may serve these terms consecutively, with a maximum of three consecutive terms. Initial terms were staggered over several years to ensure continuity of Committee work so that the terms of one-third of the members expire each year. With the adoption of these bylaws, member terms will expire on August 31st of each year. Regardless of the term limit, a member serves until his/her replacement has been appointed. This ensures sufficient, appropriate representation.

6. Resignations and Vacancies

If any member of the Committee wishes to resign, the member will contact, in writing, the current Chair and DSHS Committee Liaison requesting the appointment of a successor member.

In the event of a vacancy for any reason, agency staff will work with the DSHS Commissioner to solicit applications as appropriate to fill the vacancy with a representative of the same membership category to serve the unexpired portion of the term of the vacant position. Persons who submitted applications within the previous year through DSHS may be reconsidered for membership.

7. Presiding Chair and Vice-Chair

The Committee shall elect a Chair, and a Vice-Chair to serve in the Chair's temporary absence, from its members who shall preside over each Committee meeting. The Chair and Vice Chair will serve one term of two years. A Chair or Vice Chair may serve no more than one term in that office and may serve one term in the other office. In the event that either officer is unable to complete his/her term for any reason, a new officer will be elected. Regardless of the expiration of the term, the Chair and Vice-Chair will serve until the Committee elects a successor; however, a presiding officer may not remain in office past his or her appointment to the Committee.

The role of the Chair and Vice-Chair is to:

- A. Report to DSHS;
- B. Participate in agenda planning and preparation for committee meetings;
- C. Provide leadership in conducting committee meetings by presiding at all committee meetings at which he or she is present;
- D. Promote, maintain, and encourage a participatory environment;
- E. Identify the need for, and work with Committee Liaison, to call meetings in accordance with Health and Safety Code, § 33.017, to accomplish the work of the Committee;
- F. Ensure the Committee adheres to its charge;
- G. Serve as an ex-officio member of any subcommittee of the Committee;
- H. Call for the establishment of subcommittees (if applicable and with approval of agency staff); and
- I. Confer with DSHS staff to acquire the support needed for Committee operations.

8. Committee Operations and Meetings

A. Meetings

- 1. The Committee meets during regular business hours, at the call of the Chair or DSHS commissioner, at least three times a year.
- 2. The Committee is subject to Texas Government Code Chapter 551 (the Texas Open Meetings Act) as if it were a governmental body.

B. Quorum

A majority of voting members constitutes a quorum for the purpose of transacting official business. To calculate a majority for a committee with an odd number of members, divide the membership by two and round up to the next whole number. If less than a quorum of the Committee is present, members may not vote upon action items but may take testimony and public

comments so long as the meeting is being conducted in accordance with the Texas Open Meetings Act.

C. Voting

1. Members have the right to vote on any subject that is listed on the agenda. However, members must abstain from deliberating or voting on issues that would provide monetary or other gain to the member, or the member's family, or that could present, or reasonably appear to present, a conflict of interest.
2. The Committee may determine procedural matters by majority vote of members attending the meeting, or may use Robert's Rules of Order as a guide to its operations and proceedings.
3. A member may participate and vote by telephone conference as deemed necessary by agency staff.
4. A member may not authorize another individual to represent the member by proxy.
5. For all business except adopting or amending bylaws, a simple majority is needed on a motion duly made and seconded. (A simple majority is defined as more than half of the votes cast by persons entitled to vote who are in attendance with a quorum, excluding abstentions.)

D. Adoption and Revision to Bylaws

1. Bylaws will be adopted and amended pursuant to a two-thirds vote (of members attending the meeting) on a motion duly made and seconded.
2. Committee members or DSHS staff may propose changes to these bylaws. All proposed changes from Committee members, along with the rationale for the changes, should be submitted in writing to the DSHS Committee Liaison at least 30 days prior to the next committee meeting for inclusion in the publication of the agenda in the *Texas Register* and distribution to the members for their consideration.
3. The Committee will review the Bylaws by December 31 of every even-numbered year. Committee-proposed amendments that occur as a result of the biennial review will be considered in a meeting and will be passed and become effective based on a two-thirds vote of members attending the meeting, pending review and approval by DSHS and HHSC staff.
4. All proposed changes are subject to review and approval by DSHS and HHSC staff.
5. The Bylaws will become effective as of the date they are adopted by the Committee. The Committee will make note of the date of the adoption of the Bylaws in its minutes. Members will sign a Statement by Members when bylaws are amended (see attached Statement).

9. Responsibilities of Members

A. Attendance

Members are expected to attend all meetings. Members can attend by teleconference or if requested by the Chair must travel to Austin for these meetings. A member unable to attend a meeting should notify the Committee Liaison in advance. The Committee Liaison will notify the Chair and appropriate program staff. Members may not send a substitute to attend a meeting in their place.

Any member missing three meetings within a one-year period with or without notice to the Committee Liaison, may be removed from the Committee.

B. Member expectations:

1. Attend meetings as directed;
2. Participate in subcommittees as assigned;
3. Review agendas and other information sent by staff prior to each meeting;
4. Participate in discussions at meetings;
5. Abstain from deliberating or voting on issues that would provide monetary or other gain to the member, or the member's family, or that could present, or reasonably appear to present, a conflict of interest;
6. Attend/participate in an orientation session for the Committee;
7. Complete the Texas Open Meetings Act Training and Public Information Act Training within 90 days of adoption of bylaws or appointment and submit the Certificates of Completion to the Committee Liaison. If a member has taken the trainings within the last five years, a copy of the Certificates of Completion may be submitted to the Committee Liaison in lieu of taking the trainings;
8. Sign and submit to the Committee Liaison the Statement by Members document (attached) within 30 days after appointment. This document includes a Conflict of Interest Statement and a Nondisclosure Agreement to which Committee members must agree;
9. Notify the Committee Chair and Committee Liaison if a change of status alters the category of membership that the member was filling or if any circumstance occurs that prevents the member from being able to discharge his or her duties;
10. Maintain a high level of integrity that warrants public trust, including complying with all applicable ethics guidance provided by HHSC's Ethics Officers and all aspects of the Texas Open Meetings Act and Public Information Act; and
11. Hold and maintain in strictest confidence all confidential information and all agency-generated information, including information in draft form, until such time as the information or document is released and made public, the DSHS Commissioner has approved the release in writing, or the HHS Ethics

Policy permits release. This requirement survives the member's tenure on the Committee. For purposes of these bylaws and the Nondisclosure Agreement, the term "confidential information" includes all information protected by the Health Insurance Portability and Accountability Act (HIPAA), information that has commercial value or use, such as trade secrets, and information communicated in confidence by the HHS System.

Failure to comply with member expectations numbers 6-11 above are grounds for dismissal and may result in removal from the Committee.

C. A Committee member may not:

1. Participate in legislative or advocacy activities using his/her title or position on this Committee without written approval from the Committee Chair and the HHS Ethics Office in coordination with the HHS Government Relations Office and the Committee Liaison; however, members may represent themselves or other entities in the legislative process.
2. Accept payment for any services offered to the member because of his/her position on the Committee.
3. Disclose confidential information or draft information (from any source including grants, requests for proposals, and contracts) acquired through his or her participation on the Committee until such time as that information or document is released and made public, the DSHS Commissioner has approved the release in writing, or the HHS Ethics Policy permits release. This includes all forms of communication including written, verbal, and social media.

A violation of any of these items are grounds for dismissal and may result in removal from the Committee.

10. Removal from the Committee

The DSHS Commissioner may remove a member from the Committee for the following reasons:

- A. A member votes or deliberates on an issue that would provide monetary or other gain or that presents a conflict of interest to the member, the member's family, or an entity with which the member is closely affiliated.
- B. A member refuses to sign or violates the Statement by Members, which includes the Conflict of Interest statement and Nondisclosure Agreement, or another Nondisclosure Agreement.
- C. A member does not maintain a high level of integrity that warrants public trust, including complying with all applicable ethics guidance provided by HHSC's Ethics

Officers and all aspects of the Texas Open Meetings Act and Public Information Act.

- D. A member changes status that alters the category of membership that the member was filling.
- E. A member participates in legislative or advocacy activities using his/her title or position on the Committee without approval from the Committee chair and the HHS Ethics Office in coordination with the HHS Government Relations Office and Committee Liaison.
- F. A member receives payment for any services requested because he or she holds a position on the Committee.
- G. A member discloses confidential or draft information acquired through his or her participation on the Committee not in accordance with the Bylaws.
- H. A member, in a 12-month period, misses three meetings with or without notice to DSHS staff.
- I. The DSHS commissioner may remove a member who has violated the conflict of interest provisions or made a statement in violation of the Statements by Members form. Decisions to remove a member of the Committee due to violations of this nature will require input from DSHS legal counsel.

11. Subcommittees

Unless otherwise noted in statute, the Chair, with the approval of agency staff, may establish subcommittees that meet at other times for purposes of studying and making recommendations on issues the Committee determines appropriate to the charge of the Committee. A subcommittee may be created for a limited period of time and will cease to exist when the assigned tasks are completed or upon determination of the Chair or DSHS Commissioner, or it may be a standing subcommittee. The Chair and agency staff will evaluate the need for all existing subcommittees annually.

Subcommittee Operations and Meetings

- A. Unless otherwise noted in statute or required by a grant document or committee, members of subcommittees are required to be members of the Committee.
- B. Except as set out in #D below, subcommittee(s) will follow the general rules of the Committee as applicable.
- C. Subcommittee(s) must keep minutes of the meetings and report back to the full body.
- D. The presence of a quorum of the full Committee at a subcommittee meeting:

1. Constitutes a full Committee meeting that requires posting appropriate notice of the meeting as a full Committee meeting in accordance with the Texas Open Meetings Act; and
2. Requires the subcommittee meeting to be held in compliance with the Texas Open Meetings Act to include posting appropriate notice of the subcommittee meeting.

12. Subject Matter Experts

DSHS recognizes the value of subject matter experts (SMEs) to provide information to the Committee as it develops recommendations and initiatives relative to its charge(s). The primary role of a SME is to provide objective, independent information and analysis to be considered by the Committee. SME participation will be subject to the request of voting Committee members and will fall within the following guidelines:

- A. A SME may be invited to provide information on specific subjects and topics at the discretion of voting committee members, the Chair or Vice-Chair, and DSHS staff;
- B. An invited SME may be recognized by staff, the Committee Chair, or Vice-Chair to provide information or analysis during allotted time periods at a specified committee or subcommittee meeting;
- C. SMEs will participate in questions and answers at the direction of the staff, Committee Chair, or Vice-Chair;
- D. All SMEs will participate and serve at the pleasure of the Committee;
- E. SMEs do not hold any official capacity on the Committee or subcommittees and do not have rights of deliberation or the right to vote on any Committee activities or decisions;
- F. SMEs should disclose any conflicts of interest they may have prior to providing information to the Committee; and
- G. None of the information or guidance contained in this section shall prevent any individual from participating in or providing comments to the Committee as allowed under the Texas Open Meetings Act.

13. Responsibilities of Support Staff

The DSHS Newborn Screening Program will provide reasonable administrative and technical support and coordination for all Committee and subcommittee activities. DSHS will coordinate as needed to provide the accommodations and supports needed by a Committee member requiring accommodations to enable him/her to fully participate in Committee and subcommittee meetings and activities.

Staff is expected to perform the following tasks:

- A. Develop effective working relationships with Committee members;
- B. Solicit nominations for membership in accordance with the appropriate DSHS procedures;
- C. Provide information and technical resources for reporting and submitting Committee recommendations to the DSHS Commissioner as needed.
- D. Serve as liaison between members and operating agencies' staff; and
- E. Plan, coordinate, and organize committee and subcommittee meetings and activities, including:
 - 1. Schedule meeting dates and ensure meeting sites are set up;

A member of the Newborn Screening Advisory Committee is not entitled to any compensation (stipend) or reimbursement of expenses. DSHS has identified that the Newborn Screening Advisory Committee is not included in the General Appropriations Act, beginning with the 2016-2017 biennium, as being eligible for travel reimbursement.

Bylaws approved on October 2, 2020 by a two-thirds vote of members attending the meeting.
