MEMO

TO: DWI Intervention Program Instructors

FROM: Offender Education

SUBJECT: Recertification Form for DWI Intervention Program Instructors
Due: Prior to your expiration date

Your current DWI Intervention instructor's certification will expire soon. To renew your certification, you must have conducted a minimum of two (2) complete courses and completed a DSHS-sponsored Offender Education inservice *during* your instructor certification period. Pursuant to the new rules adopted September 1, 2009, *only* instructors who are licensed chemical dependency counselors, licensed professional counselors, licensed psychologists, licensed psychiatrists, or licensed social workers may submit 20 hours of continuing education that are *directly alcohol-related* and approved by Offender Education, in lieu of attending the in-service. If you are qualified to submit these CE hours, copies of the certificates with your name and the DSHS-approved CE hours listed on them must be received in the Offender Education department *at least 30 days prior* to your instructor certification expiration date, and they may not be CE hours earned through the Offender Education department. In addition, you must complete the enclosed instructor recertification form. **You must send in the instructor recertification form, completed in its entirety, to be recertified.** The instructor recertification form *must* be submitted to the Department **prior to your expiration date**. There is no fee. If the completed recertification form is not received in the Offender Education office **prior to your expiration date**, your DWI Intervention instructor certification will be immediately expired and you will no longer be able to offer any DWI Intervention courses.

If you conducted courses after September 1, 2014 *and you need those courses to meet the teaching requirement*, include the supporting documentation for those DWI Intervention Program courses with the instructor recertification form. The documentation must consist of the copies of the class roster(s) which includes the instructor's name and the dates of course(s).

If you have any questions, please contact us at 512-834-6628, x2129 or via email at offendered@dshs.state.tx.us.
