MAKING OF SHELLFISH HARVESTING AREAS

CLASSIFICATION OF SHELLFISH HARVESTING AREAS

PROHIBITED AREAS:

All areas not specifically designated as Restricted areas are Prohibited areas. The status of shellfish growing waters in Texas estuaries is subject to change by the Texas Department of State Health Services. These changes may be due to high rainfall and runoff, flooding, hurricanes and other extreme weather conditions, molluscan shellfish, and other factors.

CONDITIONALLY APPROVED AREAS:

All areas within a 50 yard radius of recreational cabins and houseboats located on the shoreline of Texas estuaries are classified as Conditionally Approved areas. Nothing in this notice shall be construed as exempting any vessel or person from the laws for the taking of shellfish.

APPROVED AREAS:

For current status, contact your local Texas Parks and Wildlife Department office or by calling, toll free (in state only) 1-800-994-2200.
