

# Sickle Cell Community, Share Your Story!

**Do you live with sickle cell disease?**

**Are you family or friends of  
someone with sickle cell disease?**

**Are you a clinical team member  
that works with sickle cell disease?**

**The Texas Department of State Health Services  
aims to educate the public about sickle cell  
disease by sharing the stories of sickle cell  
warriors and those closest to them.**

**Complete the survey or  
request a personal interview.**
