GUIDANCE FOR SCHOOLS

SCHOOL MEALS

WHAT ARE COMPETITIVE FOODS?

Competitive foods are foods or beverages sold during the school day that are not part of the reimbursable meal. The school day begins at midnight and ends 30 minutes after the official school day ends. You can review the Competitive Food Nutrition Standards by visiting www.SquareMeals.org/NSLP then navigating to the Resources section.

FUNDRAISER EXEMPT POLICY

WHAT IS ALLOWED?

Texas policy allows six days per campus per school year to sell foods or beverages on campus that do not have to meet federal nutrition standards.

Fundraisers that include food or beverage items that do not meet the Competitive Food Nutrition Standards, and are intended to be consumed at a school, must be sold outside the school day or on exempt days only.

WHAT IS CONSIDERED A SCHOOL CAMPUS?

A school campus includes all areas that students can access during the school day, such as performing arts centers, alternative campuses, sports stadiums and other areas under the jurisdiction of the school district.

WHERE CAN EXEMPT FUNDRAISERS TAKE PLACE?

Exempt foods and beverages may be sold anywhere on the campus except during meal service times and in areas where school meals are served.

HOW ARE EXEMPT DAYS ESTABLISHED?

Contracting Entities (CEs) operating National School Lunch and School Breakfast Programs establish the number of exempt fundraiser days by incorporating them into their local wellness policies.
