

Submission of a completed application by a survey organization is for approval to conduct surveys to evaluate that an eligible facility has met the Texas Administrative Code requirements for designation.

The initial application to be recognized as a department-approved survey organization will be opened September 1, 2025. The application must be submitted to the department prior to November 1, 2025 at 11:59 pm.

Department-approved survey organizations must complete a new application every four years prior to expiration using the same process.

The period for renewal application submission will be between January 1 and January 31 of every year.

Complete an application for each designation program requested.

Submit: Email the completed application and required documentation as an attachment to: DSHS.EMS-TRAUMA@dshs.texas.gov

Subject line: "Survey Organization Application - Organization Name or Acronym"

Note: Our email system does not currently accept large email attachments. You may need to submit your documentation in multiple emails.

Please contact a [designation staff member](#) for questions.
