Fellowship Overview and Salary

Annual Salary	\$50,000	Percentage of Travel	10%	Benefits eligible?	Yes
<p>The mission of the Corpus Christi-Nueces County Public Health District is to prevent disease, disability, & premature death; promote healthy lifestyles; and protect the health & quality of the environment for all residents of Nueces County.</p> <p>The fellow will aid the Corpus Christi-Nueces County Public Health District in addressing the Health Disparities that persist in Nueces County. The fellow will develop an understanding of the infrastructure of a public health department and its components. This will consist of on-the-job training to expand their current knowledge of public health. The fellow will compile data, develop presentations, collaborate with local community leaders, provide insight and recommendations on how to improve said communities in Nueces County based upon said data. Partnerships will also be facilitated to ensure there is a fortified relationship between the Health District and the Community.</p>
