

Infectious Disease Report

Form is published at http://www.dshs.state.tx.us/idcu/investigation/conditions/

General Instructions

This form may be used to report suspected cases and cases of notifiable conditions in Texas, listed with their reporting timeframes on the current Texas Notifiable Conditions List available at http://www.dshs.state.tx.us/idcu/investigation/conditions/. In addition to specified reportable conditions, any outbreak, exotic disease, or unusual group expression of disease that may be of public health concern should be reported by the most expeditious means available. A health department epidemiologist may contact you to further investigate this Infectious Disease Report.

Suspected cases and cases should be reported to your local or regional health department.

Contact information for your local or regional health department can be found at: http://www.dshs.state.tx.us/idcu/investigation/conditions/contacts/
