

Health Insurance Assistance Resources

This document lists the agencies that provide cost-sharing assistance for eligible Texans.

Cost-sharing assistance can cover many things. This includes, but is not limited to, premiums, co-payments, deductibles, and medication coverage.

If you are a **client of THMP** and are **not eligible for TIAP-PLUS insurance assistance**, please use the list below. You can contact a local agency near you if you do not already have one. The agency can tell you about cost-sharing assistance options.

If you are **not a client of THMP** and are **not eligible for TIAP-PLUS insurance assistance**, please also use the list below. You can contact a local agency near you for help. The agency can tell you about options for cost-sharing assistance.

If you are an **agency worker** assisting a client, please refer to the list below to discover which agency best fits the needs of your client.

Each HIV Service Delivery Area (HSDA) listed below has:

- The name of one or more agencies that provide cost-sharing assistance,
 - ▶ Link that takes you to the agency website
- The counties it serves,
- The address of the agency, and
- The phone number of the agency.

Each region is a different color, with the agencies serving the specific counties to the right. (For example, DSHS would refer a client who lives in *Harris County* to Legacy Community Health. However, DSHS would refer a client who lives in *Galveston County* to Access Care of Coastal Texas.)
