

Join the Texas Department of State Health Services (DSHS) and Texas A&M for a webinar on Pneumococcal Vaccination for Adults.

The webinar is intended for healthcare providers, partners, school nurses, adult immunization partners, all local and regional TVFC/ASN responsible entities and other internal/external immunization partners.

Texas A&M will provide informative information on Pneumococcal Vaccination for Adults. The purposes of this interactive session are to:

- Raise awareness about the prevalence of, and health risks associated with, pneumococcal disease among adults.
- Educate about eligibility for, and the importance of, pneumococcal vaccination.
- Promote strategies to engage adults and address their concerns and barriers to being vaccinated.
- Provide attendees with credible resources about pneumococcal vaccination to support initiatives in their local communities.

The webinar will include a live Q&A session where subject matter experts will answer provider questions in real time.

Reserve your space below:

Event: Pneumococcal Vaccination for Adults

Date: Friday, August 11, 2023

Time: noon to 1:00 pm Central Time (CST)
