

Strategies to Increase Childhood Influenza Vaccination Packet Training for Texas Vaccines for Children (TVFC) Program Providers

Texas Vaccines for Children (TVFC) program provider,

DSHS is hosting a webinar for TVFC program providers who have experienced a decrease in influenza vaccination coverage rates between January 2022 and January 2023. This training will provide an overview and guidance on a comprehensive packet of resources to help increase vaccination rates.

When: November 13, 2023, at noon – 1:00 p.m.

Where: <https://register.gotowebinar.com/register/2915882181822847579>

Register using the link above. After registering, a calendar invite will be sent.

For additional information regarding influenza vaccines and vaccination, contact FluImmProgram@dshs.texas.gov.

Sincerely,
