

Texas Vaccines for Children (TVFC) and Adult Safety Net (ASN) providers,

The [Texas Vaccines for Children and Adult Safety Net Provider Manual 2024](#) has been updated and posted on the DSHS website. Revisions can be found on pages 149 through 151.

Important revisions include updated:

- TVFC and ASN formularies
- Facility types
- Standards for Childhood Immunizations to include all 18 standards
- Storage and handling guidance

For questions regarding the update, contact your Responsible Entity.

Thank you for participating in the TVFC program.
