

Subject: Immunize for Success: Importance of MMR

Join the Texas Department of State Health Services (DSHS) and Merck for webinars on Measles, Mumps and Rubella (MMR) in preparation for the back-to-school season.

The webinars will include:

- Updates from Merck on childhood recommendations around general immunizations from the Center of Disease Control and Prevention's (CDC) [Advisory Committee on Immunization Practices \(ACIP\)](#).
- Guidance on ordering in the Vaccine Allocation and Ordering System (VAOS).
- Updates from the Texas Vaccines for Children (TVFC) program policy.
- Vaccine education materials available for order through the [Immunization Publication Order Form](#).

The webinars are intended for health care providers, school nurses, regional TVFC and responsible entities.

The same information will be presented twice to accommodate ease of attendance.

The webinars will include a Q&A session where subject matter experts will answer questions.
