Texas Vaccines for Children (TVFC) and Adult Safety Net (ASN) Program Responsible Entities (REs),

The 2027 TVFC and ASN Program re-enrollment will open in September and require providers to add a National Provider Identifier (NPI) number to the TVFC and ASN Program Provider Agreements.

Central Office will host multiple training sessions to provide step-by-step guidance on the re-enrollment review process in Syntropi, as well as policy updates impacting TVFC/ASN Program re-enrollment.

REs must attend training on one of the following days from 2:00 PM to 3:30 PM:

- Tuesday, August 18, 2026 (https://attendee.gotowebinar.com/register/1448814832302752341)
- Friday, August 21, 2026 (https://attendee.gotowebinar.com/register/3209994965488323673)

If you have any questions regarding the 2027 TVFC and ASN Program provider re-enrollment process, email VacCallCenter@dshs.texas.gov.

Thank you for your continued partnership,

Texas Department of State Health Services (DSHS) Immunization Section
