Texas Vaccines for Children (TVFC) Back-to-School Webinar

Texas Healthcare Providers,

Join the Texas Department of State Health Services (DSHS) for the Texas Vaccines for Children (TVFC) back-to-school webinar.

The 2025–2026 school year in Texas is almost complete. As we know, many school-based clinics close for summer break. We invite providers to discuss storage and handling reminders and school-based closures. Reminders, updates, and discussions will focus on vaccine transfers and Texas school-age minimum vaccination requirements.

Register for the following date:

May 15, 2026, 11:00 a.m.–12:00 p.m. –
https://attendee.gotowebinar.com/register/8136452471161250391

The webinar will include a live Q&A session.

We hope to see you there!

Thank you,

Texas Department of State Health Services
