

ImmTrac2 Notice: IIS Office Hours

This email is being sent to all ImmTrac2 users and organizations submitting patient and immunization data to the Texas Immunization Registry, ImmTrac2.

Announcement

The Texas Immunization Registry is excited to announce an online series of one-hour "Office Hour" sessions designed to provide current information on the Registry and offer an open forum for providers to ask questions and receive timely and accurate information.

Description

- Wednesday, January 14, 2026, from 10:00 am to 11:00 am – **"Welcome to ImmTrac2, An Overview of the Texas Immunization Registry"** Registration
link: <https://register.gotowebinar.com/register/3806713116821911390>
Description: This session describes the purpose of the Texas Immunization Registry, the laws that created it, benefits of the Registry to clients and providers, how data is sent to the Registry, different types of consents, the importance of data quality, and links to guides and recorded webinars for more information.
- Wednesday, February 4, 2026, from 10:00 am to 11:00 am – **"Advantages of Bidirectional Data Exchange and How to Onboard"** Registration
link: <https://register.gotowebinar.com/register/8707910442447326805>
Description: This session will provide a brief overview on reporting data through bidirectional data exchange. Designed for new providers and those transitioning from manual to electronic reporting, this session will help participants understand the provider onboarding, key processes and best practices to ensure accurate and efficient reporting.
- Wednesday, March 4, 2026, from 10:00 am to 11:00 am – **"Patient Active/Inactive Status Functionality in ImmTrac2"** Registration
link: <https://register.gotowebinar.com/register/6356996252587850069>
Description: Discuss the benefits and use of the Patient Active/Inactive Status function and how this function can help automatically inactivate clients that are no longer seen after years of inactivity.

Note: Each webinar session has a maximum capacity of 900 attendees. If the session fills up, we recommend you check our ImmTrac2 User Training webpage later for the posted recordings.

If you have trouble opening the link, we recommend copying the URL in a different web browser (i.e., Google Chrome).

After registering, you will receive a confirmation email containing information about joining the webinar.

Format

- 5-10 mins: Welcome and Announcements
- 15-20 mins: Presentation on the rotating educational topic or demo
- 30-40 mins: Open Q & A with program staff
