

Announcement

The Texas Immunization Registry is excited to announce the next online series of one-hour "Office Hour" sessions designed to provide current information on the Registry and offer an open forum for providers to ask questions and receive timely and accurate information.

Description

- Wednesday, April 1, 2026, from 10:00 am to 11:00 am – **"School Nurse Registry Access and Benefits"** Registration
link: <https://attendee.gotowebinar.com/register/5898099683448071003>
Description: This session will describe how to use the school function in ImmTrac2, how to find and read client immunization records, how to print Official Immunization Records, the benefits of the Registry to clients and schools, reminders for school nurses, and links to guides and recorded webinars for more information.
- Wednesday, May 6, 2026, from 10:00 am to 11:00 am – **"Best Practices for ImmTrac2 Consents"**. Registration
link: <https://attendee.gotowebinar.com/register/2936103319286032471>
Description: This session will describe the different consent types, the importance of obtaining consent, along with best practices for reporting consents to the registry.
- Wednesday, July 1, 2026, from 10:00 am to 11:00 am – **"Interpreting Error Messages with Data Exchange"** Registration
link: <https://attendee.gotowebinar.com/register/8169383942693826136>
Description: This session will focus on how to know if your messages are getting rejected in data exchange, how to interpret the error messages, and how to resolve them. Other best practices for data exchange are included to increase accuracy and efficiency.

Note: Each webinar session has a maximum capacity of 1,000 attendees. If you have trouble opening the link, we recommend copying the URL in a different web browser (i.e., Google Chrome).

After registering, you will receive a confirmation email containing information about joining the webinar.

Format

- 5-10 mins: Welcome and Announcements
- 15-20 mins: Presentation on the rotating educational topic or demo
- 30-40 mins: Open Q & A with program staff
