

UTILIZING THE FLU VACCINE FINDER

Providers and patients can use [Vaccine Finder](#) to see where the flu vaccine is available.

Participating providers for Vaccine Finder include:

- Large chain pharmacies
- Independently owned pharmacies
- Clinics
- Health care offices
- Health departments
- Tribal health centers in the US, and across US territories

To find a clinic that offers the flu vaccine, patients:

- Enter the zip code
- Select a vaccine option:
 - Egg-free flu vaccine
 - Flu nasal spray

- High dose or adjuvanted flu vaccine
- Adjuvanted flu vaccine for individuals 65 years and older

The results page lists nearby providers, including each location's address, contact number, and website. Providers should remind patients the flu vaccine can be co-administered with other respiratory vaccines.

More information about the flu, visit [Influenza \(Flu\) | Texas DSHS](#)

Join the National Adult and Influenza Immunization Summit (NAIIS)

The weekly [National Adult and Influenza Immunization Summit](#) (NAIIS) is a Centers for Disease Control and Prevention (CDC) sponsored organization. NAIIS focuses on addressing and resolving adult and influenza immunization concerns. NAIIS hosts weekly webinars/updates, has extensive immunization resources, and has over 700 partners representing more than 130 public and private organizations.

To register for weekly NAIIS content, visit [Join the Summit](#).
