**NOTICE: ASN Program – Adult Tenivac (Td) Now Available**

Dear Adult Safety Net (ASN) Provider,

Vaccine manufacturer Sanofi Pasteur now offers an adult Tenivac Vaccine as a Single-Dose Vial and Syringe for Tetanus and Diphtheria Toxoids (Td).

Tenivac Single-Dose Vial and Syringe are now available for healthcare providers to order in the Vaccine Allocation and Ordering System (VAOS) under the ASN Program which began on **July 18, 2022**.

If you have any questions, contact your ASN Program Responsible Entity (RE).

Thank you for your continued partnership,

Texas Department of State Health Services  
Immunization Section
