

The Texas Department of State Health Services (DSHS) Immunization Program will host the second annual Flu Kick-Off webinar for the 2023-2024 influenza (flu) season.

This kick-off webinar serves as a call to action to improve flu vaccination rates across Texas. The DSHS Immunization Program will present information that includes:

- Past flu rates in Texas
- Clinical flu recommendations
- TVFC/ASN program participation
- TVFC program flu pre-book, and
- Strategies to increase flu vaccination in your clinic, as well as resources and materials that providers can utilize to promote the flu vaccination.

Reserve your space below:
