

Dear Adult Safety Net (ASN) Program Provider,

The Texas Department of State Health Services (DSHS) invites you to a Vaccine Provider Webinar on Friday, September 22, 2023, at noon CST. DSHS will discuss COVID-19 commercialization, the COVID-19 program and vaccine ordering updates.

As of September 11, 2023, the Food and Drug Administration (FDA) is no longer authorizing the COVID-19 bivalent vaccine, and ASN providers are no longer able to order bivalent COVID-19 vaccines through the ASN program.

The [new COVID-19 monovalent vaccines](#) will be added to the Adult Safety Net program formulary and made available for ordering to ASN providers on Tuesday, September 19, 2023. The COVID-19 vaccine will be available to uninsured and underinsured adults under the ASN program. Please note that ASN providers cannot charge an administration fee for the COVID-19 vaccine.
