

Texas Providers,

In anticipation of an updated COVID-19 vaccine available mid to late September 2023, the United States Government will not continue the regular ordering process of all current COVID-19 vaccines on August 3, 2023.

The Texas Department of State Health Services (DSHS) is hosting a provider webinar to provide updates on vaccine updates, ImmTrac2 reporting and VAOS ordering.

Please email [covid19vacshipments@dshs.texas.gov](mailto:covid19vacshipments@dshs.texas.gov) if you have any questions that you would like addressed in this webinar.
