Good Afternoon TVFC/ASN Program Providers,

The 2023 Texas Vaccines for Children (TVFC)/Adult Safety Net (ASN) Program re-enrollment will open October 10, 2022, and close November 4, 2022. Due to this week's TVFC/ASN Provider webinars reaching maximum capacity, the DSHS Immunization Section will be hosting two additional provider webinars. These additional webinars will be held for those who were not able to attend the webinars held on September 28, 2022. **If you have already attended a 2023 TVFC/ASN Program Provider Re-enrollment webinar, you do not need to attend these additional webinars.**

Providers will receive a step-by-step training of how to use Syntropi for the upcoming 2023 TVFC/ASN Program re-enrollment. This training will also review TVFC/ASN Program processes and policy updates.

The TVFC/ASN Program Providers who have not completed the training to date will be required to attend one of the webinars held on **October 4, 2022, from 10:00 am – 11:30 am** and **October 5, 2022 from 2:00 pm – 3:30 pm**. Providers are only required to attend one of the webinar times. Use the following links to register for the webinar you will attend:
