Entering New Vaccinations in NEDSS

**Public Health Informatics and
Data Exchange (PHID) Team**

Vaccinations

Health and Human
Services

Texas Department of State
Health Services

- Vaccinations can be entered and stored in a patient record.
- Vaccinations can also be associated with an investigation if relevant.

Add Vaccinations from Patient Record

Health and Human
Services

Texas Department of State
Health Services

- Choose the Events tab of the patient record
- Choose *Add New* to the right of the Vaccinations section.

The screenshot displays a web application interface for patient records. At the top, there are three tabs: 'Summary', 'Events', and 'Demographics'. Below the tabs is a navigation bar with links for 'Investigations', 'Lab Reports', 'Morbidity Reports', 'Vaccinations', 'Treatments', 'Documents', and 'Contact Records'. The main content area is titled 'Patient Events History' and contains a list of event categories with their respective counts and 'Add New' or 'Back To Top' buttons:

| Event Category | Count | Action |
|-------------------|-------|-----------------------|
| Investigations | (0) | Add New Back To Top |
| Lab Reports | (1) | Add New Back To Top |
| Morbidity Reports | (0) | Add New Back To Top |
| Vaccinations | (0) | Add New Back To Top |
| Treatments | (0) | Back To Top |
| Documents | (0) | Back To Top |
| Contact Records | (0) | Back To Top |

At the bottom of the interface, there are 'Previous' and 'Next' navigation links, and 'Delete' and 'Print' buttons.

Entering New Vaccinations

- A new window will open and will default to the patient demographics tab. You can edit the demographics if needed.
- Otherwise, choose the Vaccinations tab in the top left corner.

New Vaccinations

Health and Human
Services

Texas Department of State
Health Services

A screenshot of a web application window. The title bar reads "View Vaccination: MMR". Below the title bar is a light green message box containing the text "Vaccination has been successfully saved in the system." To the right of the message box are four buttons: "Edit", "Print", "Delete", and "Close".

- Enter all vaccination information and Submit.
- You will be back on the *View Vaccination* page.
- You may edit the vaccination entered or close the window.

New Vaccinations

Health and Human
Services

Texas Department of State
Health Services

- If you have more than one vaccination to enter, close the window.
- You will be back on the Events tab of the patient record.
- You will choose *Add New* to the right of the Vaccination section.

The screenshot shows a web application interface for patient records. At the top, there are three tabs: 'Summary', 'Events', and 'Demographics'. Below the tabs, there is a navigation bar with links: 'Go to: Investigations | Lab Reports | Morbidity Reports | Vaccinations | Treatments | Documents | Contact Records'. The main content area is titled 'Patient Events History' and contains a list of event categories with counts and 'Add New' buttons:

| Event Category | Count | Action |
|-------------------|-------|---------------------|
| Investigations | 0 | Add New Back To Top |
| Lab Reports | 1 | Add New Back To Top |
| Morbidity Reports | 0 | Add New Back To Top |
| Vaccinations | 0 | Add New Back To Top |
| Treatments | 0 | Back To Top |
| Documents | 0 | Back To Top |
| Contact Records | 0 | Back To Top |

At the bottom of the list, there are 'Previous' and 'Next' navigation links. Below the main content area, there are 'Delete' and 'Print' buttons.

Manage Associations

Health and Human
Services

Texas Department of State
Health Services

- If the vaccinations will be associated with an existing investigation, open that investigation and choose *Manage Associations*.
- If you enter the vaccinations through this mechanism, they will auto-associate with the investigation.

Manage Associations

Health and Human
Services

Texas Department of State
Health Services

- Manage Associations will display all events in the patient record.
- Use the check-boxes to associate (or un-associate) events to the investigation.
- You may also enter new events that will auto-associate with this investigation.
