

## **Report to the Texas Radiation Advisory Board from the Texas Low Level Radioactive Waste Disposal Compact Commission for January 16, 2026**

The Texas Low Level Radioactive Waste Disposal Compact Commission met on December 12, 2025, in Austin, Texas.

The Commission considered petitions for the importation of waste into the Compact. The Commission approved three applications to import waste and two amendments.

The Commission is considering possible rule changes related to written notification for TCEQ of import applications and the definition of small quantity generator.

The next meeting will be held in Austin, Texas on April 16, 2026.
