

Report to the Texas Radiation Advisory Board

From: Texas Low-Level Radioactive Waste Disposal Compact Commission (TLLRWDC)

Date: July 17, 2026

The Texas Low-Level Radioactive Waste Disposal Compact Commission met on June 18, 2026, in Austin, Texas.

During the meeting, the Commission considered petitions for the importation of waste into the Compact. The Commission approved seven applications to import waste and one amendment.

Additionally, the Commission adopted rule amendments changing the definition of a "small quantity generator" and updating the rules related to written notification of applications to TCEQ and WCS. The effective date for these adopted rules is September 1, 2026.

The next Commission meeting will be held on August 13, 2026, in Woodstock, Vermont.
