ECI Collection:

The DSHS AV Library contracts with HHSC Early Childhood Intervention [to provide library services and maintain a collection of ECI resources](#).

Here are some of the newest selections in this collection.

Heading Home with Your Newborn: From Birth to Reality

Book. Laura A. Jana, 2020. CPE=8.0 (WS 105.5 C3 J33h 2020 ECI)

This book covers everything new parents need to know, from feeding and dressing, to diapering and bathing, and from crying and sleeping to travel and activities. Updates include an updated section on baby blues and postpartum depression; added information on breastfeeding, pumping and insurance benefits; new safety information on SIDS and car seats; and new information throughout to

bring all advice in line with the latest policies and recommendations from the American Academy of Pediatrics.

Infant and Toddler Development and Responsive Program Planning: A Relationship-Based Approach, 4th ed. Book. Donna Sasse Wittmer, 2018. CPE=10.00 (LC 4019.3 W832i 2018 ECI)

This text illustrates why the study of infants and toddlers is important, why a relationship-based model is important for infant-toddler professionals to use, and what infant and toddler development looks like from pre-birth through age 36 months. Included is information on the theories of infant-toddler development, the role of families and how to engage them in learning and development, and program planning using a relationship-based model.
