New Streaming Videos:

Pharmacological Treatment and Classification of Pain

[Streaming](#). 24 min. 2021. Adult.

This program explores pharmacological approaches to pain management, including NSAIDs, opioids, and adjuvant medications. It addresses the benefits and limitations of various drug therapies, with a focus on differentiating between acute and chronic pain conditions.

Transplant Coordinator - Career Q&A: Professional Advice and Insight

[Streaming](#). 12 min. 2019. Adult.

In this career Q&A video, Stephanie Krier discusses her professional journey, her responsibilities, and the essential factors for success as a transplant coordinator. She provides valuable advice on entering the profession, shares insights into the industry's major challenges, and offers perspectives on potential developments within the field over the next ten years.

ECI Books:

The DSHS AV Library contracts with HHSC Early Childhood Intervention to [provide library services and maintain a collection of ECI resources](#). Here are some of the newest selections in this collection.

Casebook: Developmentally Appropriate Practice in Early Childhood Programs: Serving Children from Birth through Age 8

2023. CPE=5.0 (LB 1139.25 C337 2023 ECI)

Developmentally appropriate practice (DAP) requires a nuanced understanding of child development, individual children, and the social and cultural contexts of

children, families, and educators. This casebook presents nearly 50 cases addressing infancy through third grade and across multiple, diverse settings.

Emergent Curriculum in Early Childhood Settings: From Theory to Practice.

Susan Stacey, 2018. CPE=5.75 (LB1139 S775 2018 ECI)

This book explores the components of emergent curriculum and how its practices can improve the educational culture of early childhood programs. The edition includes information on exploration of inquiry-based practice; reexamination of circle time and scripts for routines; expansion of invitations, including invitations for children learning a second language; new photos and documentation and inclusion of Reggio Emilia.

[Safety Training Streaming Videos from Streamery:](#)

Evacuation Procedures

[Streaming](#). 22 min. 2023. Adult.

This program on evacuation procedures discusses emergency response plans, evacuation routes, and communication protocols. It also provides practical guidance on how to respond during an emergency, including how to assist others and how to evacuate safely.

First Aid

[Streaming](#). 16 min. 2018. Adult.

When an employee is injured or becomes ill, their coworkers will usually be the first ones "on the scene" and can provide some initial treatment. This video provides training for your employees on how to properly apply first aid in emergency situations. Topics covered include eye injuries, cuts, burns, sprains, fractures and shock, heart attack, choking, and heat-related illnesses.

Severe Weather Safety: Prepare, Survive & Recover

[Streaming](#). 18 min. 2019. Adult.

Because severe weather can strike anywhere without notice, you must be ready to respond appropriately. Lightning, flooding, pounding hail, tornadoes, and hurricanes cause property damage, injuries, and fatalities in all parts of the world every year. The purpose of this program is to review the proper actions that should be taken before, during, and after a severe weather event. Topics covered include severe weather watches & warnings, emergency training & response, survival tips, and actions for recovering from a storm event.

[National Preparedness Month](#)
