Qual App - the number of qualified applications

Offr'd Adm - the number of students offered admission

Reg & enroll - the number of students registered and enrolled

\* - denotes a program that indicates an unlimited number of seats for new students. Numbers were adjusted to be the same as the number of qualified applicants offered admission.

\*\*\* - denotes that the school has a stand alone RN to BSN program

Notes: All data are obtained from self-reports from professional nursing programs on the 2024 Nursing Educational Program Information Survey (NEPIS) under the jurisdiction of the Board of Nursing. The totals reported for each program may include data for extension or regional campuses.

Additional Note: Please note that qualified applications include duplicated counts. We are not able to determine how many applicants are applying to more than one nursing program.
