I. Charity Care Policy:

1. Include your hospital's Charity Care Mission statement in the space below.

Texas Children's Hospital, Texas Children's Physician Services Organization, and Texas Children's Women's Specialists (collectively referred to herein as TCH) are committed to providing the highest quality care to its patients. TCH recognizes that some patients and/or their families may be unable to pay for all or a portion of the services provided by TCH and its substantially related entities. In furtherance of its charitable mission and values, TCH provides financial assistance to patients and/or their families who are low-income, uninsured or underinsured, ineligible for government health care programs, and who are otherwise unable to pay some or all of the bills related to services deemed medically necessary by Medicare, Medicaid, or industry standards. Financial assistance also may be available to other patients, and for other services, determined on a case-by-case basis in accordance with the procedures set forth herein.

2. Provide the following information regarding your hospital's current charity care policy.

a. Provide definition of the term **charity care** for your hospital.

Includes the following: Financial Assistance: A full or partial reduction in charges incurred at TCH and its substantially related entities to patients for emergency or medically necessary services who have qualified for a discounted rate in accordance with the provisions of this Financial Assistance Policy. An Uninsured Self-Pay Patient or Under-insured Patient for the relevant service and who is not eligible for coverage through a Government Healthcare Program or other insurance, and who has Family Income less than 400% of FPL, may be eligible to receive Financial Assistance in the form of discounted charges. Financially Indigent: A patient who TCH has determined to be unable to pay some or all of the patient¿s bills due to the Family Income of the patient and/or the patient¿s family being below specified thresholds based on the FPL and/or because their monetary assets are below specified thresholds. Medically Indigent: A patient who TCH has determined to be unable to pay some or all of the patient¿s bills related to services deemed medically necessary by Medicare, Medicaid and Insurance industry standards, because such bills exceed a certain percentage of the Family Income and/or assets of the patient and/or the patient¿s family (e.g. due to catastrophic cost or other conditions), even though the patient and/or the patient¿s family have Family Income or assets that disqualify them from being Financially Indigent.
