

PCC EMS Report

October 2025

- The Annual Texas EMS Conference will be in Fort Worth, Texas starting November 22 – 25, 2025 for more information please go to; <https://texasemsconference.com>
- The next Governors EMS and Trauma Advisory Council (GETAC) meeting will be November 22 – 24th in Fort Worth, Texas. For more information and the meeting agenda please go to the following website.
<https://dshs.texas.gov/emstraumasystems/governor.shtm>
- GETAC has developed, a “Whole Blood Tack Force” leaded by Eric Epley, Executive Director for South Texas Regional Advisory Council (STRAC), the mission of this tack force is to develop a statewide pre-hospital whole blood program. This GETAC task force continues to meet and working together to develop a “Whole Blood” program in every County in Texas. 89R session provide \$10 million dollars to support this project. Contracts are currently being reviewed by 21 Regional Advisory Councils and guidelines are being developed. National Highway Traffic Safety Administration (NHTSA) has stated that Pre-Hospital Whole Blood will have the same impact on vehicle crash patient outcomes as seatbelts have had.
- **Session 89R Update**
During the 89th regular legislative session, the Governor signed into law several pieces of legislation that will impact the Texas Emergency Medical Services (EMS) Trauma system. The following is a summary of some of the key legislation affecting the system. You may want to review each of these bills, and others, to fully understand their impact. Full bill details on these bills can be found at <https://capitol.texas.gov/>
