

Wear a Face Covering

Everyone must wear a face covering over the nose and mouth when inside, with few exceptions. You will be asked to leave if you don't wear a face covering. Ask us if you need one.

Your face covering protects **them**
Their face covering protects **you**

The Texas Department of State Health Services recommends people in public places wear a face covering and stay six feet apart to help stop COVID-19 from spreading.

Those who cannot take off a face covering by themselves or have trouble breathing should not wear a face covering.
