Texas Health and Human Services Commission

Public Notice: Waiver Amendment of the Medically Dependent Children Program

The Texas Health and Human Services Commission (HHSC) is submitting to the Centers for Medicare & Medicaid Services (CMS) a request to amend the Medically Dependent Children Program (MDCP) waiver, which is implemented under the authority of section 1915(c) of the Social Security Act. CMS has approved this waiver through August 31, 2022. The proposed effective date for this amendment is August 31, 2019, with updates to the cost neutrality.

This amendment request proposes to make the following changes:

--Appendix J: The Cost Neutrality Demonstration information in appendix J will be updated for waiver years two through five as it relates to the projections for the comparison population reflected in G and G'.

--Appendix H.2 will be added to specify whether the state has deployed a patient experience of care or quality of life survey, including the type of survey tool utilized, for its Home and Community Based Services (HCBS) population in the last 12 months based on CMS direction.

--Appendix E will clarify in E-2 a. ii, the state's method to conduct background checks does not vary from Appendix C-2-a based on CMS direction.

The MDCP waiver provides home and community-based services to persons under age 21 who are medically fragile and meet the requirements for nursing facility care. Services include respite, adaptive aids, minor home modifications, employment assistance, supported employment, financial management services, transition assistance services, and flexible family support services. Texas uses the MDCP waiver to provide services to Texans in the least restrictive environment possible. These environments include the individual's or a family member's home, or a Child Protective Services foster care home which can meet the individual's complex medical needs.

An individual may obtain a free copy of the proposed waiver amendment, including the MDCP Home and Community Based Services (HCBS) transition plan, or ask questions, obtain additional information, or submit comments regarding this amendment or the MDCP HCBS transition plan by contacting Courtney Pool by U.S. mail, telephone, fax, or email.
