Lead Renovation, Repair, and Painting (RRP) Training

The Southwest Center for Pediatric Environmental Health (SWCPEH), Texas Tech University Health Sciences Center El Paso (TTUHSC El Paso) Department of Emergency Medicine, and the Environmental Protection Agency (EPA) are proud to sponsor a free Lead Renovation, Repair, and Painting (RRP) training.

The goal of this training is to ensure the public is protected from lead-based paint hazards that are associated with renovations, repairs, and painting activities.

Who does the RRP program apply to?

- The general public
- Contractors
- Property managers
- Homeowners who rent all or part of their home
- Homeowners who operate a child care center in their home
- Homeowners who buy, renovate, and sell homes for profit

Training Information:

July 10, 2026

8am-5pm

ABC Safety Solutions, Inc.

16300 Katy Freeway, 3rd floor, Suite 141
