Services

Texas Department of State
Health Services

EMS Committee

1. Items needing council guidance
 - None at this time.
2. Items referred to GETAC for future action
 - We discussed wall/hall times. Our workgroup has done some really good work, now going to the Medical Director's committee they have agreed to assign 3 members for a joint work group to come up with a best practices paper. That will come before the council upon completion.
3. Announcements
 - GETAC EMS Committee has a mission/vision statement:
To develop a comprehensive, accessible, and sustainable EMS delivery system through collaboration, innovation, training, safety, research, and efficiency to provide the highest quality prehospital patient care.
