# LAYER UP!

Help Ana pick which clothes will keep the mosquitoes away!

On the next page, cut out each item. Then, match each item to Ana on this page.

Glue or tape the items on and hang this up to remember.

**Wear long sleeves and pants and always ask an adult to help you apply EPA-approved mosquito repellent before going outside.**

# LAYER UP!

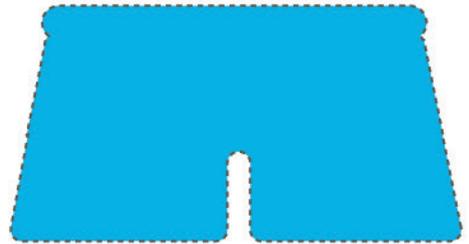

Help Ana pick which clothes will keep the mosquitoes away!  
Cut out each item. Then match them to the missing pieces on Ana.

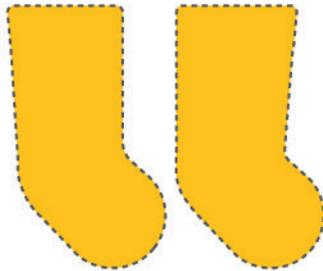

Long Sleeves

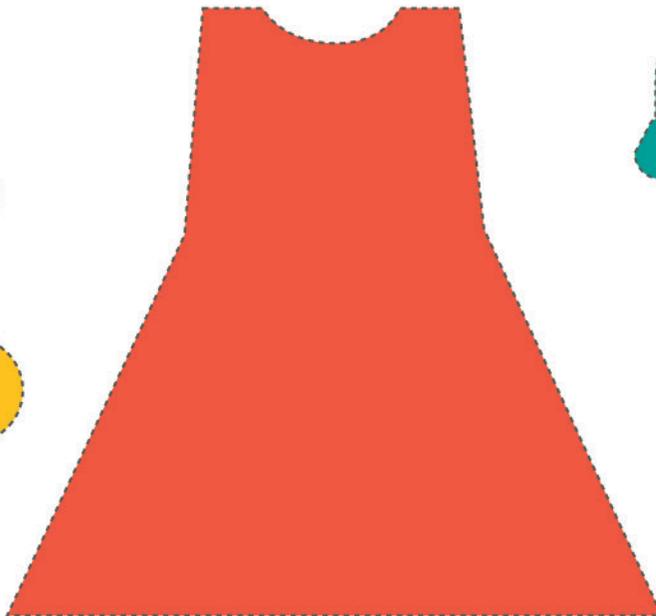

Mosquito  
Repellent

Shorts

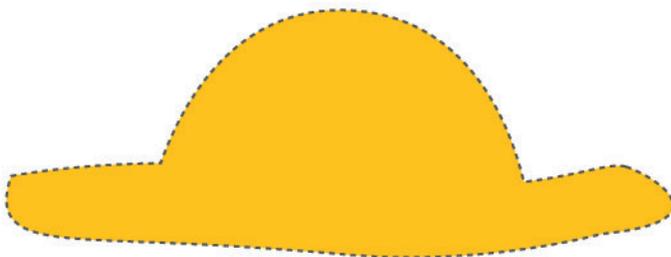

Socks

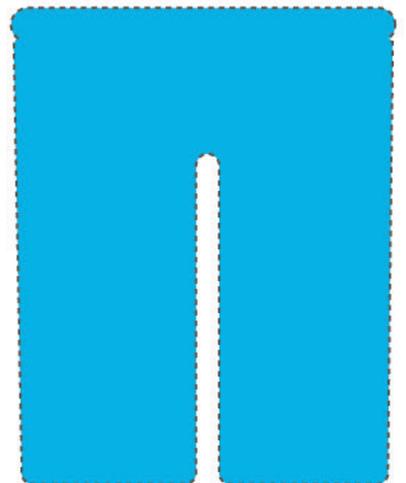

Dress

Shoes

Hat

Pants

# LAYER UP!

## Answer Page

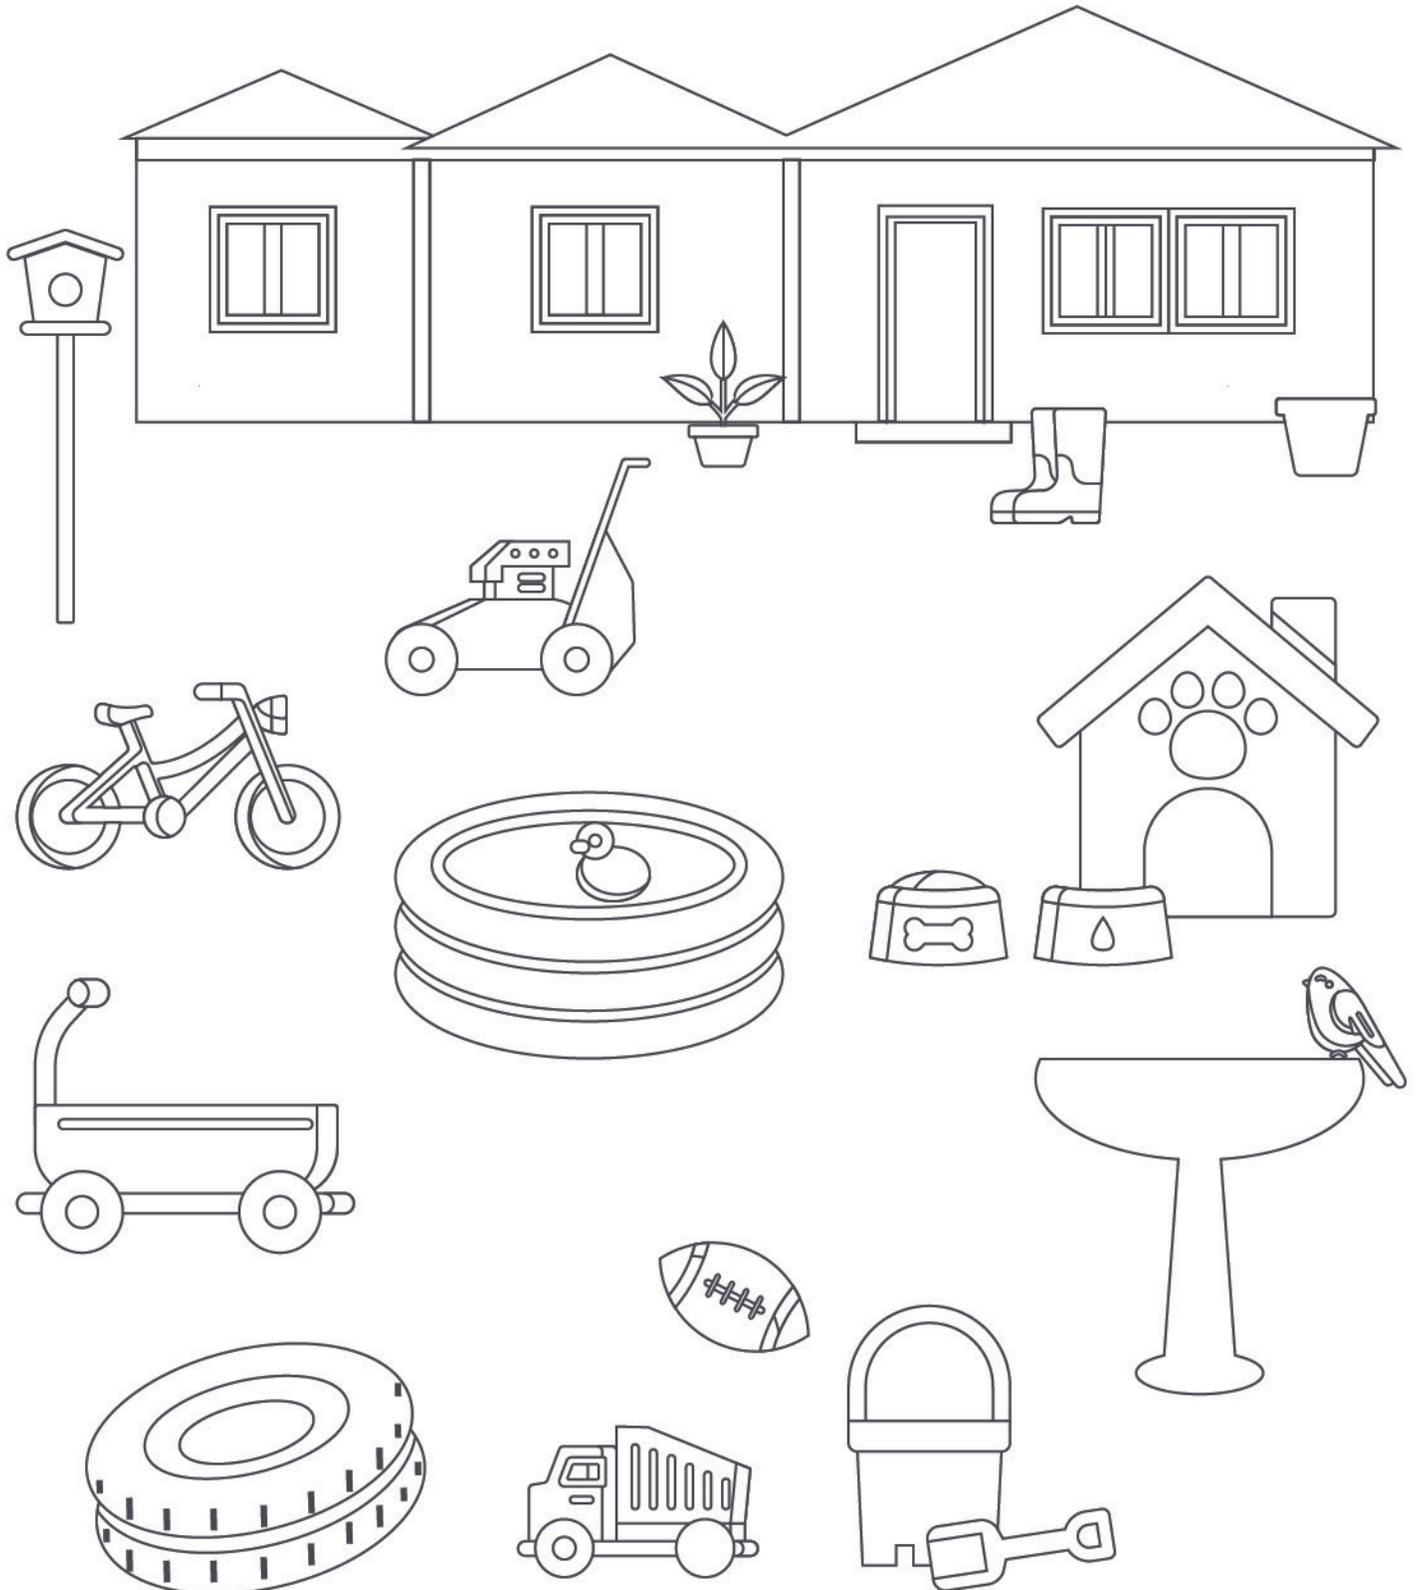

Long sleeves, pants, socks, and shoes plus EPA-approved mosquito repellent all help cover your skin to keep the mosquitoes away.

# DUMP THE WATER OUT!

Standing water is a great place for mosquitoes to live.

Color in the picture. Then circle all nine places that might collect water. Remember to check your yard and patio for these places. Dump the water out to keep the mosquitoes away!

# DUMP THE WATER OUT!

## Answer Page

These are all nine places water might collect. Remember to check your yard and patio for any places water might collect, especially after it rains. Dump the water out to keep the mosquitoes away!
