Expiration Date:

In accordance with the Texas Food Establishment Rules (TFER August 2021), State Statute §§228, and the Rules for Regulation of Food Establishments in Unincorporated Areas of Harris County, this certifies that the above named individual has taken and passed the Harris County Food Handler Certification course.

The above named individual is hereby authorized to handle food in food establishments permitted in the State of Texas.

The Harris County Food Handler certificate should be carried by food handlers at all times. Food Handlers may be asked to present proof of course completion during routine health inspections.

The Environmental Public Health Division works to protect public health by ensuring the integrity of the food supply, clean drinking water, neighborhood cleanliness, and hazard-free workplaces.
