

DSHS GRAND ROUNDS

Transforming HIV Prevention and Care

Barbara Saatkamp Taylor, MD, MS

Assistant Dean, MD/MPH Program

Director, Center for Chronic Infectious Diseases

Vice Chief for Research and Professor of Infectious Diseases

UT Health San Antonio & Adjunct Faculty UTHHealth School of Public Health San Antonio

Dr. Taylor's presentation will describe recent advances in HIV prevention and care, with a focus on the exciting developments in long-acting HIV prevention and treatment. Dr. Taylor will also cover the state of the HIV epidemic in Texas and the evolution of comprehensive HIV care.

WHEN

Wednesday, July 30, 2025
11:00am – 12:30pm

WHERE

GoToWebinar

Objectives:

- Describe the current state of the HIV epidemic and its impact in Texas.
- Identify newly available modalities, including long-acting therapies, for prevention and treatment of HIV.
- Discuss advances in comprehensive HIV care, with a focus on HIV and aging.

*Continuing education credits/contact hours will be provided for multiple disciplines for this activity.
