Free Self-collection HIV and STD test kit

MORE INFORMATION ON BACK

REQUEST ONE TODAY

testfortexas.org

Create an account in the online portal through testfortexas.org and take a quick health assessment.

Choose the address where you will receive the kit in discreet packaging.

Follow the instructions to collect your sample, fill out your information, and mail the kit back for testing.

Access your results from the secure portal in seven business days from the date your sample arrives at the lab.

If you test positive, get linked to treatment:
Call **2-1-1** or visit dshs.texas.gov/hivstd/services.
