IAC Launches In-Depth COVID-19 Site

Staying up to date with the latest COVID-19 information can be difficult given the breakneck speed at which it develops. Fortunately, the Immunization Action Coalition (IAC) has launched a website where a broad range of topics and resources has been collected in one easily accessible place.

From links to the CDC, FDA, and ACIP, to clinic tools and patient education materials, this comprehensive resource from IAC is one you and your staff will want to refer to often. Learn more at <https://www.immunize.org/covid-19/>

Nine Translations for COVID-19 Vaccine Facts

Now available! Fact sheets about the COVID-19 vaccine offered in nine different languages as handouts for the public. Visit the CDC web page, "[What To Expect at Your Appointment to Get Vaccinated for COVID-19.](#)" Scroll down to the bottom, and you will find links to the handout that explains how vaccines are prevention tools with a summary about safety and effectiveness.

You have subscribed to get updates from the Texas Department of State Health Services' Immunization Unit. For more information, please [email us](#) or [visit our website](#).
