

Get Your Buckle On

Keep your child safe every time they ride in a car.

Attend a one-hour Safe Riders class and learn how to safely install and use a car seat from certified child passenger safety technicians.

The Safe Riders program offers child passenger safety education to parents and caregivers in Texas to keep children safe while riding in cars.

Qualifying families are eligible to receive a free car seat.

To Qualify:

- Family must be low-income or must be experiencing financial hardship
- One of the child's primary caregivers must attend a Safe Riders class
- Expecting mothers must be in their third trimester

Contact Safe Riders to attend a free car seat safety class or checkup
