Internship Details

Intern Activities
<ul style="list-style-type: none"> Attend selected meetings, trainings, and events to network and expand knowledge and skills around TEHDI/NBS concepts and leadership. Research Early Hearing Detection and Intervention (EHDI) programs across the United States and analyze their processes. Compare and recommend new

strategies for the TEHDI program. Research the EHDI landscape across the state of Texas and create a report to showcase findings.

- Conduct outreach to audiologists, birth facilities, and providers to support the ongoing Regional and Local Health Operations Care Coordination Project.

Intern Deliverables

- Summary of activities and recommendations, including an evaluation of their performance and the internship experience.
- Report and/or literature review to exhibit findings of EHDI-related topics listed under activities.
- [Click or tap here to enter text.](#)

As part of an end-of-semester celebration of the interns, the intern will give a brief PowerPoint or poster presentation of their project and experience to an audience of DSHS staff and university partners.
