Public Health Services

Health and community education; immunizations for eligible children and adults; tuberculosis treatment and contact identification; HIV and STD testing, treatment or referral, and education; communicable disease investigations; emergency preparedness and response; general sanitation and food establishment inspections.

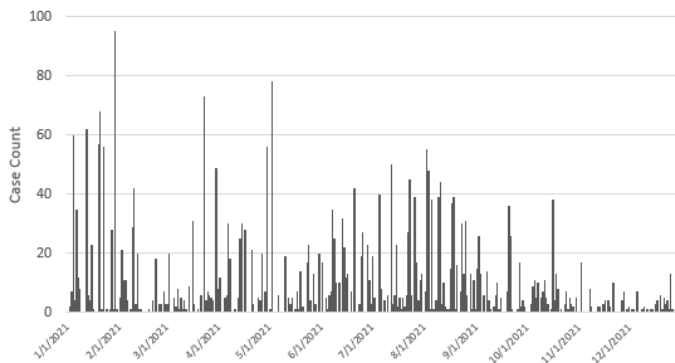

Region 8 Activities

- Provide COVID-19 vaccinations in community-based clinics
- Serve as a resource for school nurses on issues such as immunizations, lice, influenza and disease reporting
- Recruit and educate Texas Vaccines for Children providers
- Educate community members about nutrition, child abuse, teen pregnancy prevention, bike and ATV safety, infant safe sleep, suicide prevention, hyperthermia (over-heating) prevention, handwashing, drug use prevention, bullying, water safety and injury prevention
- Link area residents to health resources and information

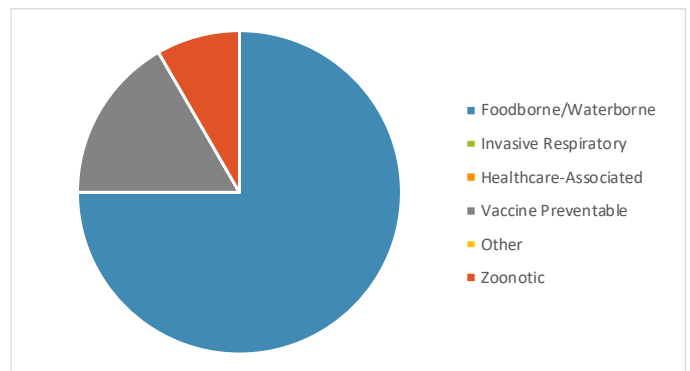

Immunizations

- The percent of school students with a conscientious exemption from immunizations filed at the school district level in Dimmit County is 0% with no change from 2020
