## Public Health Services

Health and community education; immunizations for eligible children and adults; tuberculosis treatment and contact identification; HIV and STD testing, treatment or referral, and education; communicable disease investigations; emergency preparedness and response; general sanitation and food establishment inspections.

## Region 8 Activities

- Provide COVID-19 vaccinations at community-based clinics
- Serve as a resource to health care providers, school nurses and childcare facilities about immunizations, notifiable conditions and disease reporting
- Promote breastfeeding, tobacco cessation and other important health topics
- Participate in the Region 8 School Task force for COVID-19 to support schools in responding to the pandemic
- Distribute rabies vaccines when required after exposure
- Organize the 2021 Child Abuse Prevention Virtual Summit
- Refer area residents to health resources, including the Uvalde MHMR Crisis Counseling Program
- Promote the Coalition to End Sexual Exploitation program

## Immunizations

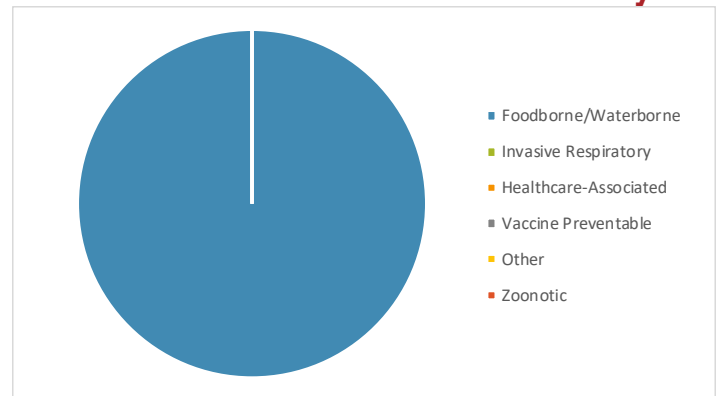

- The percent of school students with a conscientious exemption from immunizations filed at the school district level in Edwards County is 2.76% up from 2.50% in 2020
