## Public Health Services

Health and community education; immunizations for eligible children and adults; tuberculosis treatment and contact identification; HIV and STD testing, treatment or referral, and education; communicable disease investigations; emergency preparedness and response; general sanitation and food establishment inspections.

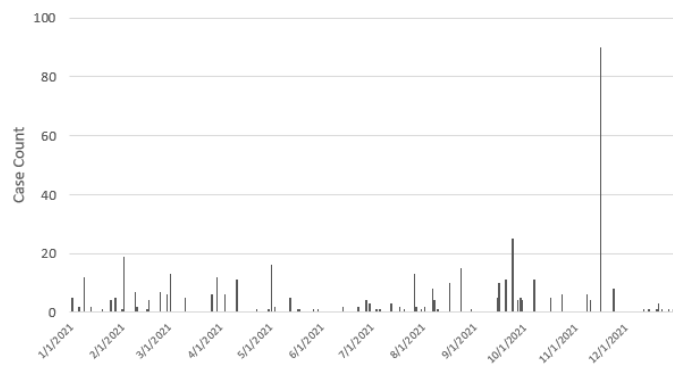

## Region 8 Activities

- Provide COVID-19 vaccinations at community-based clinics
- Consult with area health care providers, schools and childcare facilities about COVID-19, immunizations and disease reporting
- In partnership with Walgreens, hold yearly flu vaccine clinic open to all community residents
- Educate school children about health and wellness through presentations and membership on the School Health Advisory Council (SHAC)
- Serve on the Child Fatality Review Team for the South East Region, the Community Resource Coordination Group for Goliad and Refugio counties, the Golden Crescent Area Agency on Aging and Disability, the Healthy South Texas Committee and the Golden Crescent Healthcare coalition
- Provide health and safety programs and information
- Recruit and train Texas Vaccines for Children providers
- Link area residents to health resources

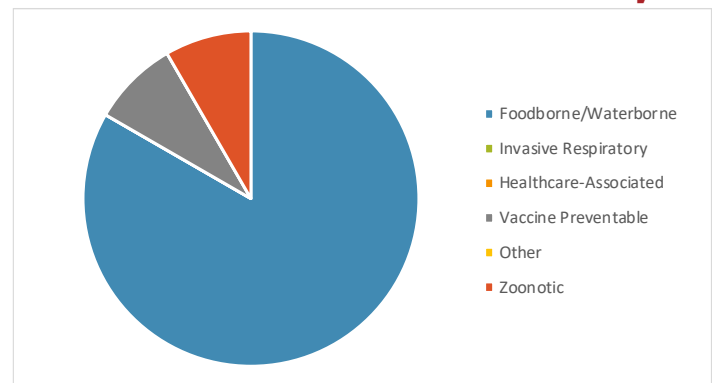

## Immunizations

- The percent of school students with a conscientious exemption from immunizations filed at the school district level in Goliad County is 1.07% up from 0.88% in 2020
