Public Health Services

Health and community education; immunizations for eligible children and adults; tuberculosis treatment and contact identification; HIV and STD testing, treatment or referral, and education; communicable disease investigations; emergency preparedness and response; general sanitation and food establishment inspections (only in the City of Uvalde).

Region 8 Activities

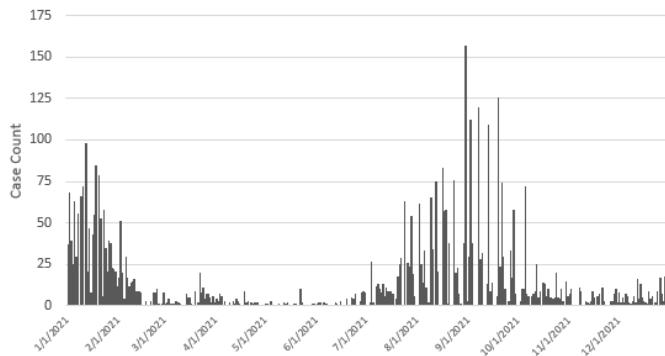

- Provide COVID-19 vaccinations at community-based clinics
- Participate on the Avance Head Start Health Advisory Board, the Coalition to End Sexual Exploitation, the Region 8 COVID-19 School Task Force, the Safe Kids San Antonio Coalition and the Uvalde Child Fatality Review Team (to review child deaths and recommend prevention strategies)
- Educate the community about heat stroke, water safety, infant safe sleep and other important health issues
- Organize the 2021 Child Abuse Prevention Virtual Summit
- Coordinate Commercial Sexual Exploitation Identification Tool training in collaboration with the Texas Governor’s Office
- Distribute resources and educate providers about notifiable conditions and disease reporting
- Refer area residents to health resources, including the Crisis Counseling Program of MHMR
- Distribute rabies vaccine when required after exposure

Immunizations

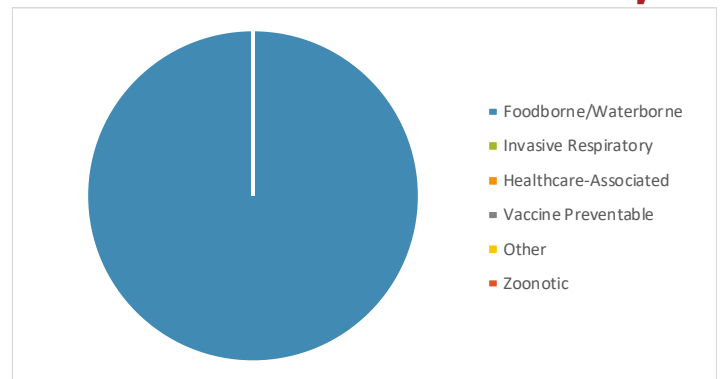

- The percent of school students with a conscientious exemption from immunizations filed at the school district level in Uvalde County is 0.06% down from 0.07% in 2020
